

A green silhouette of a person wearing a C# hoodie, standing behind a computer monitor displaying C# code.

```
s x
sing System;
amespace DotnetBot {
    public static class Program {
        public static void Main(string[] args) {
            string message = "";
            if (args.Length < 1) {
                message = "Welcome to .NET Core!";
            }
            else {
                foreach (string item in args) {
                    message += item;
                }
            }
        }
    }
}
```
